### *PLEASE NOTE:*

*Difficulty and unnecessary expense has been caused in the past by companies who, without adequate cause, have withdrawn from the Festival after their entries were accepted. Companies are reminded that by entering the Festival they have undertaken a contract to give a public performance and in accordance with the tradition of the theatre they are expected to appear, even though, for example, a principal part may have to be read. Where the Committee is of the opinion that the company has withdrawn without adequate reason, the Committee may decide that the society concerned shall be banned from future Festivals, or admitted upon special terms.*
